The following transaction was entered on 2/5/2014 at 7:07 PM EST and filed on 2/5/2014

Case Name: Pall Corporation v. Cuno Incorporated

Case Number: 9:97-cv-07599-PKC-WDW

Filer:

Document Number: No document attached

### Docket Text:

ORDER denying [367] Motion for Pre Motion Conference: Because the parties seem to agree that the experts' opinions may be relevant to the proposed motions, Plaintiff's request for a premotion conference and Plaintiff's proposed briefing schedule is denied, so that expert discovery can be completed. However, once that discovery is completed, the parties may proceed with briefing Plaintiff's proposed partial summary judgment motion regarding Defendant's inequitable conduct defense, and Defendant's proposed cross motion for summary judgment regarding willful infringement. No

**premotion conference is necessary. The parties shall submit a jointly agreed-upon briefing schedule for the Court's approval no later than March 19, 2014. The briefing schedule shall provide that the first motion papers are to be served no earlier than April 18, 2014, and that briefing shall be completed no later than June 13, 2014. Following the close of discovery, should a party wish to amend the briefing schedule to add additional issues, they must request leave from the Court. SO ORDERED. Ordered by Judge Pamela K. Chen on 2/5/2014. (Doerr, Mark)**
